### **QUOTES FROM POPE FRANCIS**

Who is Helping  
 and Who is Being Helped?

You have also learned to see others, particularly the poor; and I hope you...don't distinguish between who is helping and who is being helped. The tension slowly ceases being tension and becomes an encounter, an embrace: it becomes unclear who helps and who is being helped. Who leads the action? Both of them, or, to say it better, the embrace leads.

***Reflection:** When you think of helping the poor do you think that they are also helping you? When we help the poor, we become better versions of ourselves. We learn to be less selfish, less comfortable, and more loving. Embrace this encounter.*
