QUOTES FROM POPE FRANCIS

A New Condition

Jesus makes himself present in a new way, he is the Crucified One, but his body is glorified; he did not return to earthly life but returned in a new condition. . . . For us, too, there are many signs through which the Risen One makes himself know: Sacred Scripture, the Eucharist, the other sacraments, charity, all those acts of love which bring a ray of the Risen One.

Let us permit ourselves to be illuminated by Christ's resurrection, let him transform us with his power, so that through us too, the signs of death give way to signs of life in the world.

Reflection: What's one concrete way for you to know the Risen One better? Take time to further your commitment to Scripture, the Eucharist, or an act of charity.
