QUOTES FROM POPE FRANCIS

Staying With Jesus

The logic of the Cross...is not primarily that of suffering and death, but rather that of love and the gift of self which brings life....

Following and accompanying Christ, staying with him, demands "coming out of ourselves," requires us to be outgoing; to come out of ourselves, out of a dreary way of living faith which has become a habit, out of the temptations to withdraw into our own plans, which end by shutting out God's creative action.

***Reflection:** How are you "accompanying Christ" this week? Ask God to change your logic into the logic of the Cross and to bring you out of a faith that is merely habit.*
