Reflections with Pope Francis

Keeping the Window Open

God always surprises us! It is God who calls; however, it is important to have a daily relationship with him, to listen to him in silence before the tabernacle and deep within ourselves, to speak with him, to draw near to the sacraments. Having this familiar relationship with the Lord is like keeping the window of our lives open so that he can make us hear his voice and hear what he wants us to do.

***Reflection:** Are you open to God's surprises? When you receive the Lord's grace and mercy in the sacraments, do you talk with him? Do you ask to hear his voice? Soften your heart to God's call and be receptive to what he asks.*

We have completed the 2nd Phase of construction of the Prayer Garden. Thank you to everyone who has supported this project through the purchase of bricks and/or monetary donations. To date all bricks have been engraved and laid. The project is far from completion, however, so we will continue to sell bricks, raise funds and accept donations. Once again, thank you for your continued support; it is greatly appreciated.
