### The Essential Teachings of Mother Teresa

I feel that we too often focus on the negative aspects of life, on what is bad. If we were more willing to see the good and the beautiful things that surround us we would be able to transform society. It begins in the family. From there, we can help transform our next door neighbors with loving service, then others who live in our neighborhood and city. We can bring peace and love to the world. The whole world is hungry to these things, and we can each play a small role in feeding this great hunger.

This will be a potluck dinner with sloppy joes, potato salad, baked beans, coffee and lemonade provided. To help with planning, we ask that those interested in attending our celebration sign up with the number of family/friends who will attend on the sheet in the vestibule of the church. We also ask those attending to please bring a dessert. Please indicate what type of dessert you plan to bring by signing the dessert sheet in the vestibule.

**Hope to see you there!!!!**

### Reflections with Pope Francis

#### Are You There for Them?

Mary continues to accompany life. Do I, like Mary, remain steadfast? How are your parents? How are your grandparents? How are your in-laws? Are you there for them? Do you care about them? Do you visit them? Sometimes it is very painful, but there is no other choice than to put them in a nursing home for health reasons or family situations. But once they are there, do I set aside a Saturday or a Sunday to be with them? Do you care about that life that is fading away and that gave life to you?

-----  
*Reflection: Do you set aside time to be with your family members? If they live far away, do you make it a priority to call or e-mail to send them little reminders of your love for them?*

Because we have many Masses for our loved ones on our books, some Masses will be celebrated at Ste. Anne on Mackinac Island.

### 350th Year Birthday Celebration of St. Ignace August 21, 2021 Parade at 4:00 p.m.

St. Anne Altar Society is tentatively planning to participate in the 350th year celebration of the birth of St. Ignace. Part of the activities will be a parade down State Street. We hope to put a float in the parade. In order to properly prepare for this event, many volunteers are needed. We are looking for six key people to help plan and orchestrate the float, participants, and activities associated with this part of the celebration. If you can help, please call Mary Hobson at 989-745-1003 or Mary Burris 906-643-0310. You can also sign the sheet in the vestibule of the church. Thank you in advance for any help you can give.
