Reflections of Pope Francis

Beauty Precedes Us

The new star that appears to the Magi was a sign of the birth of Christ. Had they not seen the star, these men would not have set out. The light goes before us, trust goes before us, beauty precedes us, God goes before us.

The prophet Isaiah said that God is like the flower of the almond tree. Why? Because in that region the almond is the first to flower. And God goes ever before, he is always the first to seek us, he takes the first step.

God goes ever before us. His grace precedes us, and this grace appeared in Jesus. He is the Epiphany. He, Jesus Christ, is the manifestations of God's love. He is with us.

***Reflection:** Look back at what God has done in your life. When did you encounter him? Be grateful that he has gone before you, and have the courage to follow after him more closely.*

Thank you to all who have given to the UPCS.A.
